DUALS DUAL STRENGTH SERIES

SPIRIT | **40** YEARS

Spirit Duals provide a premium look with advanced functionality - all at excellent value. This comprehensive line delivers a complete premium strength solution for facilities to also meet their space and budget requirements, from multi-family living and community centers to hotels and resorts.

Premium Design – The difference is in the details. From our sport stitching to our space-efficient designs, these dual function machines are welcoming to all users.

Reliability and Performance – Our equipment is designed to meet the high demands of users with features like our premium strength cables (made in the USA) to our competitive warranty.

Effective, User-Friendly Features – Convenient features like the electronic rep counter/timer and drop down 5 lb. increment weight are all designed to enhance each user's experience.
